

1 UNITED STATES DISTRICT COURT
2 DISTRICT OF NEVADA

3 CIMARRON ROAD LLC,

4 Plaintiff

5 v.

6 GENSLER ARCHITECTURE DESIGN &
7 PLANNING,

8 Defendant

Case No.: 2:21-cv-01158-APG-NJK

**Order for Jurisdictional Discovery and
Deadline for Supplemental Response to
Order to Show Cause**

9 Defendant Gensler Architecture Design & Planning removed this action from state court
10 on the basis of diversity jurisdiction. ECF No. 1. However, Gensler did not identify the
11 citizenship of plaintiff Cimarron Road LLC's members. *See Johnson v. Columbia Properties*
12 *Anchorage, LP*, 437 F.3d 894, 899 (9th Cir. 2006) (stating that "an LLC is a citizen of every
13 state of which its owners/members are citizens"). Because I could not determine whether
14 complete diversity exists, I ordered Gensler to show cause why is action should not be remanded.
15 ECF No. 8. Gensler responded that it has pursued all publicly available information but is
16 unable to confirm complete diversity of citizenship, and that Cimarron Road would not disclose
17 its citizenship when asked. ECF No. 14.

18 I ORDER that the parties shall have until September 9, 2021 to conduct jurisdictional
19 discovery. Gensler shall file a supplemental response to the order to show cause by September
20 24, 2021. If Gensler does not file a response by that date, this case will be remanded.

21 DATED this 9th day of July, 2021.
